The adoption or amendment of policies by the school trustees is in no way subject to the provisions of Article V.
- 5-1-2 An “aggrieved person” is a classified employee, a group of classified employees, or the Association asserting a grievance. *(1996)*
- 5-1-3 A “party in interest” is any person or persons, with reference to his/her contract, who takes action or against whom action is taken in order to resolve the complaint
- 5-1-4 The term "day" when used in this article is defined as a day the district office is open. *(1996)*

### **5-2 Purpose**

- 5-2-1 The purpose of this article is to provide a clearly outlined procedure whereby classified personnel may secure a full hearing and resolution of their grievances under this agreement.

### **5-3 Informal Discussion**

- 5-3-1 Both parties encourage employees covered by this agreement to resolve their problems with their immediate supervisors whenever possible. The provisions of this article are not intended to preclude a classified person with a potential grievance from informally discussing the problem with their immediate supervisor prior to filing a formal grievance although such discussions are not a part of the formal grievance procedure.
- 5-3-2 If a classified person requests an informal discussion with his/her immediate supervisor concerning the subject matter of a potential grievance, such informal discussions will be held as soon as reasonably possible.
- 5-3-3 It is understood and agreed that all aspects of such informal discussions, if any, which take place shall have no bearing or precedential effect on the resolution of that grievance or any similar grievance filed in accordance with this article.
- 5-3-4 Both parties may agree to extend the time lines of 5-4-1-1 in order to pursue a possible solution to a pending problem at the informal level. If a time line extension has been initiated, the time line countdown will begin again when either party notifies the other that the informal process is over. This will be done in writing and will include the number of days counted as of the date of the agreement to extend the time line.

### **5-4 Procedure**

- 5-4-1 Level One – Immediate Supervisor

- 5-4-1-1 A grievance as defined, must be filed in writing, alleging which terms or provisions of this agreement and/or school trustees' policy under which the dispute arose, and must be filed no later than fifteen (15) work days after the classified person or the Association first knew, or should have known, and received proper notification of the act or condition upon which the grievance is based. (1996)
- 5-4-1-2 The written grievance must first be presented to the affected classified person's appropriate supervisor or his/her designee.
- 5-4-1-3 The above condition(s) do not prevent the party in interest from first discussing the issue with his/her immediate supervisor with the object of resolving the issue informally.
- 5-4-1-4 Within ten (10) workdays after the receipt of a grievance, the appropriate supervisor or his/her designee, shall meet with the affected classified person for the purpose of discussing the merits of the grievance involved.

- 5-4-3-3 The Board shall forward its written response to the grievance no later than two (2) scheduled board meetings. (2003)
- 5-4-4 Level Four – Arbitration
- 5-4-4-1 In the event the grievance is not resolved in Level Three, the Association or the individual classified person, if being taken by a classified person asserting his/her rights under NRS 288.140.2, not later than ten (10) work days after receipt of the written reply from the Board of School Trustees, may request arbitration in accordance with the provisions set forth below. A request for arbitration shall be made by delivery to the Superintendent or designee of a written notice of intent to arbitrate, provided that in the event such action is being taken by a classified employee acting as an individual, a copy of such request shall be delivered at the same time to the Association. (2007)
- 5-4-4-2 Within five (5) days after written notice of submission to arbitration, the Superintendent or designee and the Association or the individual classified person as provided for in the preceding section shall agree upon a mutually acceptable arbitrator who is experienced, impartial, disinterested, and of recognized competence. If within thirty (30) days the parties are unable to agree on an arbitrator, either party shall make a request for a list of seven (7) arbitrators to the American Arbitration Association or the Federal Mediation and Conciliation Service. Within ten (10) days after receipt of the list from AAA or FMCS, the parties shall select an arbitrator from the list by alternately striking one name until the name of one arbitrator remains that shall be the one to hear the dispute in question. The Association shall strike the first name. The parties have a mutual obligation to promptly acknowledge and provide notice of receipt of correspondence from AAA or FMCS and/or the arbitrator. (2007)
- 5-4-4-2-1 The arbitrator shall promptly schedule a hearing on the matter complained of, at which time each of the parties in interest may present evidence, examine and cross-examine witnesses, and submit legal arguments in support of their respective contentions. In the event of a classified person acting as an individual, the Association shall be entitled to be present at the hearing and to submit written arguments if the Association contends that the Association's rights under NRS 288.033.2 or 288.140.2 are involved. The arbitrator may make such further inquiry or investigation as he/she deems necessary and, unless extended by mutual agreement, shall issue his/her report within thirty (30) days

from the final hearing day or submission of briefs, whichever is later.

5-4-4-2-2 Unless such rules are in conflict with this agreement or any provision of NRS 288, the arbitrator and the arbitration proceedings shall be governed by the arbitration rules of the American Arbitration Association or the Federal Mediation and Conciliation Service, whichever entity's arbitrator list has been utilized in the selection of the arbitrator.

5-4-4-3 All hearings held by the arbitrator shall be closed sessions, and no news releases shall be made concerning the progress of the hearings. The arbitrator's decision shall be submitted in writing to the aggrieved, the Board of School Trustees and the Association only, and shall set forth his/her findings of fact, reasoning, and decisions on the issues submitted. The arbitrator shall not have the authority to alter or amend in any way the provisions of this agreement.

5-4-4-4 Arbitration awards that involve retroactivity of pay shall not be made retroactive more than thirty (30) days prior to the date of filing of the grievance and in no event shall the District be liable for more than forty (40) work days of retroactivity.

5-4-4-5 The expenses of arbitration shall be shared equally by the School district and the Association and/or the individual classified persons involved; however, if the demand for arbitration is made and not further pursued then administrative fees shall be paid by the one making the demand.

(2004)

8-8-3 In the event of death of a classified employee, payment for unused sick leave shall be made to the beneficiaries.

Employees will be paid twenty-five (25) percent of each day of unused sick leave, not to exceed \$40 (forty dollars) per day, up to a maximum of the employees' contract days.

(2010)

The maximum aggregate sick leave payments available yearly under this contract is \$35,000.

(2011)

## 8-9 Sick Leave Bank

8-9-1 Any classified employee covered by this agreement shall become a member of the sick leave bank by contributing the hourly equivalent of one (1) sick leave day. The minimum accumulated hours in the sick bank shall be 3200 hours. When the accumulated sick leave hours fall below 3200, all classified employees shall contribute the equivalent of one (1) sick leave day (converted to hours) to the sick leave bank.

(2011)

Classified employees may request sick leave hours from the sick leave bank for their own long-term disability or illness only. When a member of the bank has a long-term injury, incapacity or illness lasting at least ten (10) consecutive days and has exhausted all forms of leave (paid or unpaid), s/he, or an immediate family member, may request additional

sick leave from the bank. This request must be in writing by completing and submitting an application to Human Resources. If the request is for more than ten (10) days, a written statement from a healthcare provider must accompany the request. Human Resources will notify the Executive Committee. The Executive Committee shall consist of the Classified President, two appointed members of the Classified Association and an appointee by the District. The Committee shall meet the first week of every month, provided applications have been submitted.

Submission for sick leave days from the Sick leave Bank does not guarantee acceptance and/or approval for requested days.

No sick days will be awarded in advance or “forward”; however, if sick days are awarded, the Business Office may “back date” so an employee is not penalized on his/her paycheck. (2013)

8-9-2 Upon its approval of a sick leave request, the Executive Committee will notify the District Business Office. (2011)

8-9-3 The number of days extended to a request will not exceed 10 days unless additional days are available and approved by the Committee. The maximum cumulative number of days, which any one person can be granted from the bank during his/her period of employment with the district, is sixty days (60). A classified employee leaving the employment of the District, who has used the sick leave bank, must transfer any unused sick leave days to the sick leave bank to replace the days used before being paid for unused sick leave according to Article 8-8. (2007)

Any reference to “days” is converted to “hours” in keeping with the new absence reporting system of the District. (2013)

8-9-4 A yearly update of accumulated hours in the sick bank will be provided by the District to the Association by September 1<sup>st</sup> of each year. (2013)

8-10 When a classified employee becomes a licensed employee all accumulated sick leave days shall stay with the employee. (2006)

8-11 Donated Days

8-11-1 The classified employee must exhaust all leave i.e. sick, personal and annual leave, before coming to the Sick Leave Committee. The classified employee request for donated days shall be reviewed by the Sick Leave Committee, which will follow the guidelines as set forth by Sick Leave Bank protocol, as stated in Article VIII-9, excluding paragraph 8-9-3.

8-11-2 Classified employees with accumulated sick leave days may donate sick days in the name of another employee, to be used by the employee for his/her catastrophic illness or as the caregiver to an immediate family member with a catastrophic illness. The classified employee must provide verification of illness from his/her physician to the Human Resources Department of CCSD and the Sick Leave Committee. These specifically donated days for a classified employee are not included as part of the total sixty (60) days as mentioned in section 8-9-3 and will not be considered as part of the sick leave bank.

8-11-3 The use of donated sick days shall not exceed one calendar year from start date of physician's notification.

8-11-4 Any donated, unused hours shall be added to the Sick Leave Bank.

8-11-5 Employee's donating days shall not exceed five (5) days per incident per individual. (2014)

## **ARTICLE IX – BEREAVEMENT LEAVE**

- 9-1 Classified employees will be granted a leave of absence of not more than ten (10) consecutive working days with pay per occasion, to be deducted from sick leave for bereavement in the immediate family (as defined in Article 1-17). Bereavement will include travel time. (2007)
- 9-2 Classified employees will be granted bereavement leave of not more than five (5) working days per year for bereavement of friends and relatives not included in the definition of “immediate family” (as defined in Article 1-17). Such bereavement leave shall only be granted with approval of the Superintendent or designee and shall be deducted from accrued sick leave.(2007)
- 9-3 Classified employees may be granted leave, upon application to the Superintendent or designee, of not more than five (5) working days per year at 50% salary deduction when a situation is not covered in 9-1.

## ARTICLE X – MILITARY LEAVE

10-1 Employees who are members of the uniformed services are entitled to military leave. The uniformed services covered include the Army, Navy, Marines, Air Force, Coast Guard, Public Health Service Commissioner Corps, the reserve components of these services, and any other category dispatched by the President in time of war or national emergency. The Army National Guard and Air National Guard are also covered. (2011)

10-2 The employer must provide employees with notice of their rights under the Uniformed Services Employment and Reemployment Rights Act (USERRA). This requirement may be met by posting the notice where the District customarily places notices for employees.

The District may require written (orders) or verbal notice of service obligation, but must waive the requirement if notice is impossible or unreasonable. (2011)

### 10-3 Salary and Benefits

10-3-1 *Leave Without Pay* – The employer will treat the employee the same as any other employee on leave without pay. The employee may choose to use annual leave and compensatory time, if any, before going on leave without pay. (2011)

10-3-2 *Health Insurance* – There is no impact to the employee’s insurance coverage, including life insurance inclusive of the health insurance package. The District and employee premium payments or obligations, if any, remain unchanged for 30 days. Employee may then continue coverage similar to that required by the Consolidated Omnibus Budget Reconciliation Act (COBRA) for either 24 months or through the day after the date on which the employee fails to apply for reemployment in a timely manner; whichever is lesser (see **Reemployment** below). The District must reinstate coverage upon the employee’s prompt reemployment without the imposition of exclusions or waiting periods. An employee who takes up to 90 days after leaving the military before commencing his/her reemployment may stay on the military health insurance however it is the employee’s responsibility to verify the continuation, scope, and duration of coverage. (2011)

10-3-3 *Seniority* - An employee is entitled to the seniority (and rights and benefits governed by seniority) s/he had accrued at the commencement of military leave **plus** any additional seniority rights and benefits that s/he would have attained if s/he had remained continuously employed (the “escalator principle”). However, if a probationary period is a bona fide period of observation and evaluation, the returning employee must complete the remaining period of probation upon reemployment. The District must count time served for the purpose of determining annual and sick leave accrual rates, if the accrual amount is based on seniority. Additionally, the District must count time in the military when determining the employee’s rate of pay if the rate is based on seniority (e.g., a grade-and-step pay system). The District is not required to accumulate annual or sick leave for an employee during his/her absence. The “escalator principle” will be applied to a returning employee’s opportunities to take promotional examinations or skills tests, and to merit pay increases. (2011)

10-3-4 *Retirement* – Time served will be counted as work time for purposes of retirement. The District must make contribution payments to the retirement plan as if the employee had not left, provided the employee returns to work. The District contribution will be based on the rate of pay the employee would have been paid had s/he not been called to military service (e.g., a grade-and-step pay system). An exception to this requirement is when the higher pay is based on additional knowledge, skill, or ability that can only be gained by work experience. (2011)

10-3-5 *Death or Disability* – If an employee does not return to work due to death or disability; the survivor or disability benefit is treated as if the employee had been working until the date of the death or disability. The District must make the retirement contribution up to the date of the death or disability. (2011)

10-3-6 *Other Leave* – The District must count time served in the military when calculating the employee's Family Medical Leave Act eligibility. (2011)

10-4 Re-employment – An employee has certain report-to-work obligations following military service. Eligible returning service members must be promptly re-employed, which in most cases means within two weeks of reporting. The employee's report-to-work obligations are:

10-4-1 Service of one to 30 days: The beginning of the next regularly scheduled work period on the first full day following completion of service, and expiration of an eight-hour rest period following safe transportation home.

10-4-2 Service of 31 to 180 days: Application for reinstatement must be submitted not later than 14 days after completion of military duty.

10-4-3 Service of 181 or more days: Application for reinstatement must be submitted not later than 90 days after completion of military duty.

The deadline for reinstatement may be extended for up to two years for persons who are convalescing due to a disability incurred or aggravated during military service, and the employer must make reasonable accommodations for the impairment.

Reemployment rights apply to veterans whose cumulative period of uniformed service does not exceed five years while employed by the District. Time spent in National Guard and reservist training does not count towards the five-year period. (2011)

## ARTICLE XI – MATERNITY, CHILD REARING AND ADOPTION LEAVE

If the employee is unable to return to her position after using her accrued sick leave, she may apply for a leave of absence, without pay, for a period of not to exceed one (1) calendar year, provided:

The employee may be considered for re-employment at such time a vacancy occurs for which she may be qualified. (1998)
- 11-3 An employee shall be granted a child-rearing leave without pay not to exceed one (1) full calendar year upon written application to the Board of Trustees submitted at least six (6) weeks prior to the commencement of the requested leave. Such request must be accompanied by a birth certificate, if appropriate. (1998)
- 11-4 No benefits shall accrue to the employees while on a child-rearing leave, except that the employee shall be credited with one (1) year of service for salary advancement if he/she worked the major portion of the school year at the time such leave commenced. Upon return, the employee shall be credited with any accumulated unused sick leave.
- 11-5 In the event a female employee is on a child-rearing leave and becomes unable to perform her duties due to such disabilities caused by or attributed to childbirth as verified in writing by her physician, she may have the option of charging such period of time to her accrued sick leave. Upon termination of such disability, the employee may continue her child-rearing leave.
- 11-6 An employee shall be granted an adoption leave without pay not to exceed twelve (12) calendar months upon written application to the Board of Trustees submitted at least six (6) weeks prior to the commencement of the requested leave. Such request must be accompanied by a birth certificate, if appropriate. A leave shall commence no later than nine (9) months after the placement of the child in the home. Three (3) months prior to the expiration of the leave, the employee shall notify the School District whether he/she plans to return to work. Failure to notify the District shall be interpreted as an indication of employee's decision not to return to work.
- 11-7 Upon return, the employee shall be paid at the salary step on the salary schedule immediately higher than the step applicable at the beginning of such leave, provided that the employee worked the major portion of the school year at the time the leave commenced. Upon return, the

employee shall be credited with the unused sick leave accumulated at the time the leave of absence commenced.

In instances where there is a conflict in scheduling vacation time off between employees in the same department or site, seniority shall be given priority. (2011)

- 23-6 Movement on the salary step scale for educational credits, experience and salary increase will occur on the employee's appropriate payroll roll-up date of July 1 for 12 month employees and September 1 for school calendar employees, and will continue on that date through the employee's term of employment until they move to a different position, i.e. 12 months to school calendar, etc. (2014)
