CHURCHILL COUNTY SCHOOL DISTRICT**

PROFESSIONAL GROWTH AND DEVELOPMENT

The Churchill County School District Board of School Trustees believes students benefit by having highly qualified and trained professional teachers. Churchill County School District desires to maintain a strong staff development program for licensed and classified personnel in the school district. The district's staff development program has as its primary goal the maintenance, refinement, and enrichment of professional skills of administrators, teachers, and classified personnel.

Allocation of resources, to the extent possible, will be utilized to meet the goals of professional growth and development.
