

**BOARD OF TRUSTEES  
CHURCHILL COUNTY SCHOOL DISTRICT**

**HEALTH INSURANCE INCENTIVE WAIVER PROGRAM**

It is the policy of Churchill County School District to use all District resources efficiently and wisely. Accordingly, to avoid paying for duplicate health insurance, the Board of Trustees offers an incentive program for employees who are eligible for District paid health insurance and are covered by alternative insurance. The program will compensate employees who waive District health insurance by offering them an incentive paid through payroll.
