CHURCHILL COUNTY SCHOOL DISTRICT**

ALTERNATIVE MEANS FOR EARNING CREDIT

The Churchill County School District recognizes that not all students can or will be able to follow a traditional course of study to earn high school credit. The alternative means shall include correspondence credit, credit by examination, and credit through youth activities or educational travel, not at the expense of the District. Courses outside the control of the District and the Board of Trustees such as: correspondence courses offered by colleges and universities, independent study, and/or educational experiences may be approved by the site administrator.
