## ARTICLE V – GRIEVANCE

### 5-1 Definitions

- 5-1-1 A grievance is defined as any dispute which arises regarding the interpretation, application, or alleged violation of any of the provisions in this agreement and/or school trustees' policies insofar as such policies and the application thereof affect teachers with respect to all matters covered by this agreement and all matters with respect to which there is mandatory bargaining under the provisions of NRS 288. The adoption or amendment of policies by the school trustees is in no way subject to the provisions of Article V.
- 5-1-2 An "aggrieved person" is a teacher, a group of teachers, or the Association, asserting a grievance.
- 5-1-3 A "party in interest" is any person or persons, with reference to his or her contract, who takes action or against whom action is taken in order to resolve the complaint.
- 5-1-4 The term "appropriate supervisor" shall be the supervisor where the problem arises. *(1994)*
- 5-1-5 The term "immediate supervisor" shall be the principal, director, or program supervisor. *(1994)*

### 5-2 Purpose

- 5-2-1 The purpose of this article is to provide a clearly outlined procedure whereby teachers may secure a full hearing and resolution of their grievances under this agreement. *(1994)*
- 5-2-2 In such cases where teachers have more than one principal, supervisor, or director, that teacher shall be notified in writing of the name of their immediate supervisor within the first week of their school year. *(1994)*

### 5-3 Informal Discussion

- 5-3-1 Both parties encourage employees covered by this agreement to resolve their problems with their appropriate supervisors whenever possible. The provisions of this article are not intended to preclude a teacher with a potential grievance from informally discussing the problem with their appropriate supervisor prior to filing a formal grievance, although such discussions are not a part of the formal grievance procedure. *(1994)*

- 5-3-2 If a teacher requests an informal discussion with his/her appropriate supervisor concerning the subject matter of a potential grievance, such informal discussions will be held as soon as reasonably possible. (1994)
- 5-3-3 It is understood and agreed that all aspects of such informal discussions, if any, which take place shall have no bearing or precedential effect on the resolution of that grievance or any similar grievance filed in accordance with this article.
- 5-3-4 Both parties may agree to extend the time lines of 5-4-1-1 in order to pursue a possible solution to a pending problem at the informal level. If a time line extension has been initiated, the time line countdown will begin again when either party notifies the other that the informal process is over. This will be done in writing and will include the number of days counted as of the date of the agreement to extend the time line. - 5-4-1-2 The written grievance must first be presented to the affected teacher's immediate supervisor or designee. (1994)

5-4-2-3 The Superintendent or designee shall meet with the aggrieved person(s) and/or a representative of his/her own choosing within ten (10) days after receiving the grievance. 5-4-2-4 The Superintendent or designee shall forward to the aggrieved person(s) within ten (10) days after the meeting referred to in subparagraph 5-4-2-3 above, a written response to the grievance.

5-4-2-5 A written grievance may initially be filed at Level II when the actions of the Superintendent are being grieved. (2005)

5-4-3 Level Three - Board of School Trustees

5-4-3-1 In the event the grievance is not resolved in Level Two, the aggrieved person(s) may submit the unresolved written grievance to the Board of School Trustees no later than ten (10) days after receiving the written reply from the Superintendent.

A written request for arbitration shall be made by delivery to the Superintendent or designee of intent to arbitrate. In the event that such action is being taken by a teacher acting as an individual, a copy of such request shall be delivered at the same time to the Association.

5-4-4-2 Within five (5) days after written notice of submission to arbitration, the Superintendent and the Association or the individual teacher as provided for in the preceding section shall agree upon a mutually acceptable arbitrator who is experienced, impartial, disinterested, and of recognized competence. If within thirty (30) days the parties are unable to agree on an arbitrator, a request for a list of seven (7) arbitrators shall be made to the American Arbitration Association (AAA) or the Federal Mediation and Conciliation Service (FMCS) by either party. Within ten (10) days after receipt of the list from AAA or FMCS, the parties shall select an arbitrator from the list by alternately striking one name until the name of one-arbitrator remains who shall be the one to hear the dispute in question. The Association shall strike the first name. The parties have a mutual obligation to promptly acknowledge and provide notice of receipt of correspondence from AAA or FMCS and/or the arbitrator.

5-4-4-2-1 A hearing with the selected arbitrator shall be scheduled on the matter complained of, at which time each of the parties in interest may present evidence, examine and cross-examine witnesses, and submit legal arguments in support of their respective contentions. In the event of a teacher acting as an individual the Association shall be entitled to be present at the hearing and to submit written arguments if the Association contends that the Association's rights under NRS 288.033.2 or 288.140.2 are involved. The arbitrator may make such further inquiry or investigation as he or she deems necessary and, unless extended by mutual agreement, shall issue his or her report within thirty (30) days from the final hearing day or submission of briefs whichever is later.

5-4-4-2-2 Unless such rules are in conflict with this agreement or any provision of NRS 288, the arbitrator and the arbitration proceedings shall be governed by the labor arbitration rules of the American Arbitration Association or the Federal Mediation and Conciliation Service, whichever entity's arbitrator list has been utilized in the selection of the arbitrator.

5-4-4-3 All hearings held by the arbitrator shall be closed sessions, and no news releases shall be made concerning the progress of the hearings. At the beginning of the arbitration hearing, that arbitrator will first determine if the question is grievable. The arbitrator's decision shall be submitted in writing to the aggrieved, the Board of School Trustees and the Association only, and shall set forth his or her findings of fact, reasoning, and decisions on the issues submitted. The arbitrator's decision shall be final and binding on all parties to this agreement and shall be in accordance with the terms and conditions of this agreement. The arbitrator shall not have the authority to alter or amend in any way the provisions of this agreement. (2007)

5-4-4-4 Arbitration awards that involve retroactivity of pay shall not be made retroactive more than thirty (30) days prior to the date of filing of the grievance and in no event shall the District be liable for more than forty (40) teacher days of retroactivity.

5-4-4-5 The expenses of arbitration shall be shared equally by the School District and the Association and/or the individual teachers involved; however, if demand for arbitration is made and not further pursued then administrative fees shall be paid by the one making the demand.

## 5-5 Expedited Arbitration

5-5-1 By mutual agreement of the parties, the arbitration may be held under the Expedited Labor Arbitration Rules of the American Arbitration Association. Notice of such option shall accompany the Demand for Arbitration. There shall be no stenographic record of the proceeding. There shall be no post hearing briefs. The award of the arbitrator shall be rendered promptly, and unless otherwise agreed by the parties, no later than seven (7) days from the close of the hearing. The arbitrator's award shall be in writing, and the opinion shall be in summary form. (2004)

### 5-5-2 Panel of Arbitrators

The parties shall request a list of twenty-seven (27) arbitrators from the American Arbitration Association. The parties shall use the alternate strike method and reduce the list to nine (9) arbitrators. The Association shall strike the first name.

These nine (9) arbitrators shall be listed alphabetically and shall be the panel of arbitrators to hear grievances that arise under this Agreement.

5-5-3 Prompt Submission/Appointment of Arbitrator

The parties agree to arbitrate the dispute within sixty (60) days after the demand for arbitration has been submitted. The parties shall promptly appoint an arbitrator from the panel by submitting a calendar of available dates to the arbitrators on the panel using the following method.

5-5-3-1 After selection of the panel and when the need for an arbitrator first arises, the parties shall commence the appointment process starting at the top of the alphabetical list. Each time the need for an arbitrator arises thereafter, the parties shall utilize the alphabetical list and commence the appointment process with the arbitrator following the last arbitrator appointed.

5-5-3-2 If the next arbitrator on the alphabetical list cannot hear the dispute within sixty (60) days, the parties shall contact the next arbitrator on the alphabetical list until one is selected who is able to serve within sixty (60) days.

5-5-4 Alteration of Panel

At the conclusion of each school year, each party shall be entitled to strike one (1) arbitrator from the panel. Any such strike will not divest an arbitrator from jurisdiction over a matter already appointed. Stricken arbitrators will be replaced by striking from a list of seven (7) arbitrators provided by the American Arbitration Association, with the Association striking first.

5-6 Miscellaneous

5-6-1 Any party of interest may be represented at any level of the formal grievance procedure by a person or persons of his or her own choosing. At any meeting where the aggrieved person(s) cannot attend; the District will be notified in advance.

5-6-2 No reprisals of any kind shall be taken by either party against any party in interest, any school representative or any other representative or any other participant in the grievance procedure by reason of such participation.

5-6-3 Written or printed matter dealing with the processing of a grievance will be placed in a separate grievance file which chronicles each step in the grievance process and its outcome. When a grievance is resolved, all written and printed materials acquired during the processing will be maintained in the same file by Human Resources for the District as an historical record of the proceedings.

- 5-6-4 If, in the judgment of the Association, and after notification in writing to all immediate supervisors of all involved, a grievance affects a group or class of teachers from more than one school, the Association shall submit such grievance in writing to the Superintendent or designee directly and the processing of such grievance shall begin at Level Two.
- 5-6-5 Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and an effort shall be made to expedite the process. The time limits specified may be extended or decreased by mutual agreement. (2010)
- 5-6-6 If meetings and hearings are called during school hours, no teachers and/or designated representatives shall be subject to a salary deduction because of attending such meetings and/or hearings.
- 5-6-7 All expenses incurred by either party in the preparation or presentation of its case are to be borne solely by the party incurring such expenses.
- 5-6-8 If written notice of a grievance is not filed at each level of the grievance procedure within the time limit specified, the grievance will be conclusively deemed to have been withdrawn without prejudice.

## **ARTICLE VI – USE OF FACILITIES**

- 6-2 Individual teachers may use the school mail services when such use is necessary and in good taste.

Such meetings shall not conflict with any regular or special educational activities and where such use shall not involve additional or extra custodial services and/or other unusual expense to the District. Use of the building on other than school days requires the approval of the Superintendent in addition to the school principal. Any added expense resulting from Association use of buildings shall be paid by the Association.
- 6-4 The Association may, at the discretion of the building principal or administrator, use the office machines belonging to the School District. Teachers on 4 day work weeks shall be required to work at the school premises a regular workday of 8.5 hours, not including the lunch period. (2014)

Current teachers' hours shall not be altered for the purpose of creating a less-than-full-time position without going through the negotiations process. (1995)

A. The daily starting and departure time for teachers shall be set in each school by the principal in accordance with duty schedules or when students are present and supervision is necessary. Any teacher required to perform a duty prior to the regular school day will be allowed an early departure time that same day so the length of the workday is consistent with a regular day in Article 7-1.

7-1-1 Teachers, as necessary, may be required to report earlier and/or remain longer to attend general faculty meetings and special meetings when called by the Superintendent or the building administrator. Mandatory meetings, workshops, programs, committee meetings, open houses, educational fairs, parent engagement nights and other school-sponsored activities during which they have responsibilities outside the workday shall not exceed seven (7) hours per school month. (2019)

7-1-2 The responsibility of the teacher to be available for conferences with parents is recognized as a teacher's professional responsibility and shall be encouraged by the Association. Teachers are expected to be available to parents and students for consultation before and/or after the first and/or last regularly scheduled class or preparation period.

7-1-3 The School Board recognizes that the primary responsibility of the teacher is to teach and shall organize the school day to insure that end. The building administrator will be responsible for the duty schedule at their school. The administrator will make every reasonable effort to schedule no more than five (5) hours of non-instructional duty for teachers during a school month. (2017)

A duty is defined as a period of non-instructional time, when a teacher is supervising students other than their own on a regularly scheduled basis. At their own discretion, teachers may do non-paid, extra-curricular activities that place them in a student supervisory position during the non-instructional day without being considered a duty. (1997)

A teacher wishing to deviate from the scheduled monthly hours shall meet with the building administrator prior to the development of the duty schedule. Any deviation from these monthly hours must equal the average monthly hours of non-instructional duties per school year. No teacher shall be assigned a permanent

duty without their consent. (2017)

Building administrators shall make every reasonable effort to reduce the duty schedules to equalize the non-instructional duties of teachers. A tentative duty schedule will be in place on the first day of school. A duty schedule showing duties for the entire year will be in place by the end of the first full month of school. Unforeseen circumstances may necessitate a duty schedule change after the first month, in which case every effort will be made to equalize new duties with those prior to the change. (2017)

Teachers assigned to more than one site:

1. Shall have the same amount of combined duty as teachers at those sites.
2. Shall not be required to return to a site for the sole purpose of a duty. (1996)

7-1-4 The building administrator shall have the authority to permit divergence by teachers from the regular school day.

7-1-5 All teachers shall have during the teacher work day a daily period of time which shall be duty-free and student-free, in addition to his/her lunch period, for planning and preparation.

Teachers at grades 7-12 shall have at least one class period daily. Teachers at grades P-6 shall have at least 40 consecutive minutes per day.

Teachers who work less than full time will have an uninterrupted, duty-free preparation period equal to the percentage time employed, times (x) regular prep time of forty (40) minutes; i.e. 4.5 hours = 64% x 40 = 25 minutes.

All preparation time is to be uninterrupted, without interval or break.

Teachers who regularly teach without the benefit of a preparation period shall be paid on the basis of fourteen percent (14%) of their current step of the Licensed Salary Schedule. Teachers are under no obligation to teach without a preparation period and do so voluntarily. Contracts for teaching an extra period without the benefit of a preparation period may be renewed annually by mutual consent. (1995)

Teachers may volunteer to cover the class of another teacher who is unable to be in attendance due to an emergency, or due to unforeseen circumstances beyond the teacher's control, or to attend a parent or professional conference during their preparation period. Pay shall be fourteen per cent (14%) of the daily rate of Step A0 of the Licensed Salary Schedule for this service.

- 7-1-6 All teachers teaching on a block schedule shall have one block of preparation time, which shall be duty-free and student-free, in addition to his/her lunch period, for planning and preparation during each class cycle.  
The term “class cycle” is the cycle of all class periods meeting once. (1997)
- 7-2 Teachers shall have a duty-free lunch period of not less than thirty (30) minutes without interruption, if the employment time overlaps the scheduled lunch period, except when weather and emergencies make it necessary to alter a teacher's assignment and/or special events as determined by the building administrator. (1995)
- 7-3 When a teacher's class is in the charge of another licensed teacher, the regular teacher may leave the classroom and use that time for a preparation period, or for other educational purposes.
- 7-4 Travel time of any teacher assigned to teach at more than one (1) site shall be given at least, but not limited to, ten (10) minutes at each site plus transportation department-verified travel time. This time required to travel during the normal school day shall be considered as part of such teacher's teaching day. Mileage and/or gasoline allotments determined by the District will be granted to such teachers when using their own vehicles. (1996)

## ARTICLE VIII – LEAVES, ABSENCES, AND VACATIONS

### 8-1 Sick Leave and Disability Benefits

8-1-1 Each full time teacher shall be credited with fifteen (15) days of sick leave at the beginning of each school year, such leave to be cumulative to a maximum of 182 days. Teachers who begin service later in the school year will be credited with a prorated number of days of sick leave for the balance of that school year, on a basis on one and one-half (1½) days of sick leave for each school month of service to be performed during that year. (1999)

8-1-2 Teachers contracted for half-day teaching duties shall receive fifty (50%) percent of the sick leave benefits granted to full time teachers.

8-1-3 In the event a teacher does not complete the number of days of service required by the teaching contract, and terminates his or her employment with the District, the number of used but unearned sick leave days will be deducted from the final pay of the terminating teacher is computed. (2019)

8-1-4 A teacher who is unable to teach because of personal illness or disability and who is forced to resign will be given equal consideration with all other applicants at such time as a vacancy occurs for which he or she is qualified.

8-1-5 A teacher may be required to take sick leave if it is determined, based upon reasonable medical information, to be in the best interest of the teacher or his or her students.

8-1-6 In cases of extended absence, or when a pattern of chronic or repeated absences occur, the Superintendent or principal may require the teacher to furnish written verification from an attending physician attesting to an illness or medical disability for which sick leave is being taken.

8-1-7 Teachers leaving the employment of the District shall be paid \$60.00 per day to a maximum of 182 days for each day of unused sick leave providing they have: (2019)

to policy. (2015)

The maximum aggregate sick leave payments available yearly under this contract is \$60,000. If the demand in any one-year is in excess of the amounts available, the \$60,000 will be divided by the total number of accumulated sick leave days and the quotient multiplied by each employee's sick leave days. However, the minimum amount any individual will receive will be \$25.00 for each day of unused sick leave. (2018)

Teachers leaving the employment of the District due to Reduction in Force shall be paid \$50.00 per day to a maximum of 182 days for each day of unused sick leave at their written request. (2018)

#### 8-1-8 Sick Leave Bank

- A. Under this agreement licensed employees covered by this contract shall become members of the sick leave bank by contributing one (1) sick leave day for the establishment and operation of the bank. The assessment of the sick leave bank will not occur unless a licensed employee has more than twenty (20) days of accumulated sick leave. Then maximum days accumulated in the bank will be no more than 800 days, at which time assessment will cease. When the balance decreases to 500 days, assessment will commence at the beginning of the next school year. Teachers shall be notified by the last payroll day of their school year if an assessment will take place. Teachers that have accumulated more than 182 days of sick leave (Article 8-1-1) shall have the option of converting all days over 182 to PERS or donating them to the sick leave bank the last working day of their school year. This bank is to assist employees who have long-term illness or disabilities, or are under a physician's care with written documentation stating they are unable to attend work and so have exhausted their sick leave accumulation. (2013)
- B. The maximum cumulative number of days, which any one person can be granted from the bank during his/her period of employment with the Churchill County School District, is ninety (90) days. Persons who have used the bank must, upon leaving the district, reimburse the bank those borrowed sick leave days, even if those days will exceed the cap, before being paid for unused sick leave as afforded in Article 8-1-8. (1996)
- C. Application for benefits from the sick leave bank shall be made to the Sick Leave Bank Committee. The Committee shall be made up of two members appointed every two years by the Churchill County Education Association President and one member appointed by the Churchill County School District Board of Trustees. The applications shall be reviewed and discussed at a Sick Leave Bank Committee meeting. The committee shall decide if the application meets the criteria, as developed by a joint committee of District

and Association representatives, to receive benefits. The decision of the Committee shall be final. (1997)

- D. A statement of participation in the sick leave bank will be included in the yearly sick leave accounting update given by the District to each participating employee.
- E. When the total number of days in the sick leave bank is reduced to ninety (90) days or less, the Sick Leave Bank Committee will inform the bank membership that a special assessment of one sick leave day per member will be made to reimburse the bank.

## 8-2 Bereavement Leave

8-2-1 Teachers will be granted leave of absence of not more than ten (10) consecutive working days with pay, per occasion, to be deducted from sick leave for bereavement in the immediate family. An extension of this leave of not more than ten (10) consecutive working days shall be deducted from sick leave, upon notification to the superintendent. Teachers who have exhausted their sick leave may request an unpaid extension. (2018)

8-2-2 Teachers will be granted leave of absence of not more than five (5) working days, per year, when the situation is not covered in Article 8-2-1. The teacher shall indicate whether this leave shall be deducted from sick leave or be unpaid leave. (2018)

The Superintendent has the option of granting these leaves at no deduction in salary,

or at salary deduction limited to the substitute teachers' pay scale depending upon the value of the attendance to the District. If, in the opinion of the Superintendent, such attendance is not of value to the District, leave may be granted with full deduction in pay. At the discretion of the Superintendent, per diem, and/or travel may be provided by the School District.

#### 8-5 Personal Leave

8-5-1 Each teacher shall be granted five (5) days of personal leave each year at no salary deduction. Personal leave will be granted only in one-half (1/2) day or full day blocks of time. Except in cases of emergency, one day's advance notice of intent to use such leave will be given. (2018)

If a teacher has any personal leave remaining at year end, he/she will automatically receive payment from the District of \$50.00 per day with the last payroll for the year. (2018)

Teachers who work one-half (91 days) of the contracted year or less shall be granted five one-half (1/2) days of personal or business leave at no salary deduction. The half (1/2) days may be combined. This paragraph also applies to those teachers who work less than full-time but will have those days applied at the appropriate prorated percent of the day worked. (2017)

Personal leave may not be granted during the first and last week of school and/or the day before or after any scheduled vacation.

8-6-4 Upon re-employment following maternity leave, the teacher shall be credited with all unused sick leave accumulated prior to the commencement of her leave of absence.

8-6-5 Except as otherwise specified in this section, maternity leave shall be administered in the same manner as any other leave of absence, and the general provisions hereinafter set forth for extended leaves of absence, not inconsistent with this section, are incorporated herein by reference.

8-6-6 A female teacher may use accumulated sick leave for illness or disability caused by pregnancy and/or childbirth.

Six (6) weeks of accumulated sick leave may be used for the care of a newly adopted child. The Superintendent may grant additional day(s) for the care of the newborn child or a newly adopted child; the same shall be deducted from the accumulated sick leave. (1999)

## 8-7 Extended Leaves of Absence

8-7-1 Upon written application to the Board of Trustees, a teacher who has been employed by the district for two (2) full years may ask for a leave of absence without pay for a period of time not to exceed one (1) school year. Leave may be granted for such good and sufficient reasons which the Board feels appropriate including, but not limited to, the following: (1) health reasons and (2) programs related to professional improvement and educational development. Leave may not be taken so that an employee can take another position within or outside of the District. (2018)

8-7-2 A teacher granted an extended leave of absence must file written notice with the Superintendent on or before March 1st of the year following commencement of such leave stating whether or not the teacher plans to return to classroom duties with the District. Failure to give notice will result in forfeiture of the teacher's right of re-employment as hereinafter provided.

8-7-3 At the discretion of the Board of Trustees, a leave of absence may be extended for an additional period of one (1) year, provided the teacher on leave makes written application for such extension on or before March 1st of the year in which the initial leave of absence is effective.

8-7-4 A teacher granted a leave of absence will be guaranteed re-employment the following year subject to the provisions of Article 8-7-2 above. The teacher will return to duty at the position on the salary scale immediately higher than the step applicable at the beginning of such leave, provided the teacher has taught the major portion of the school year at the time the leave commenced. Compensation will also be made for any applicable advanced training received during such leave. While assurance cannot be given that the teacher will return to the same building, grade, or position, an effort shall be made to do so, or to place the teacher in a comparable assignment. Teachers on leave of absence will retain all unused sick leave upon their re-employment with the District.

8-7-5 Unless found to be contrary to law, teachers on leave of absence from the District may, at their option, be considered as members of the teaching staff for insurance purposes upon the teacher paying the full amount of all insurance premiums required.

8-10-2 The Superintendent shall grant, upon written request of the President of the Association, five (5) days leave at full cost reimbursement during this term of office, for services to be rendered to the Association and its members. Additional leave for Association purposes may be granted upon application to, and approval of the Superintendent at full cost reimbursement. (2018)

8-10-3 The President of the Association will be allowed to visit any school within the District while on leave or at any other time that does not interfere with his or her professional duties as a teacher. If such visitations occur during school hours, the president shall make prior arrangements with, and have the approval of, the principal of his or her own school and the principal of the school to be visited, which approval shall not be unreasonably withheld.

8-10-4 The Association shall be allowed fifteen (15) days of leave at full cost reimbursement each year to be used by teachers who are officers or agents or representatives of the Association other than the President. Leave may be taken for the following reasons but not limited to: attending conventions, Delegate Assembly, Association meetings, either local, state, or national, or meetings with legal counsel.

## ARTICLE IX – DUES DEDUCTION

- 9-1 The School District agrees to deduct from the salaries of its teachers political contributions and dues for CCEA, NSEA, and NEA, by monthly deductions in one sum as the teachers individually authorize the School District to deduct, and to transmit the monies promptly to the Churchill County Education Association. Teacher authorizations will be in writing on forms provided by the Association.
- 9-2 The Association will certify to the School District in writing the current rate of membership dues. The School District will be notified of any changes in the rate of membership dues thirty (30) days prior to the effective date of such change.
- 9-3 Deductions referred to in Section 9-1 above will be made in equal installments once each month during the year. The School District will not be required to honor for any month's deduction any authorizations that are delivered to it later than the fifteenth (15<sup>th</sup>) of the month.

- 9-5 Any teacher desiring to have the School District discontinue the dues deductions he or she has previously authorized must notify the School District and the Association in writing between July 1 and July 15 for the school year's dues. If notification is received after July 15<sup>th</sup>, the dues will be deducted for that year in accordance with the dues authorization card which states, "I understand that if I terminate my membership in the United Teaching Profession after July 15 of any year, the balance of my dues for that year will be deducted from my payroll check(s)."
- 9-6 Upon termination of any teacher, the remaining amounts of dues for the Association in Section 9-1 above will be deducted from the final check in accordance with the dues authorization card. If the amount due the Association is greater than the amount the teacher has earned, the Superintendent and the President of the Association will determine the amount to be paid on a meet and confer basis.
- 9-7 The School District will honor the continuing membership concept as authorized by the dues authorization cards which state: "I hereby authorize continued deduction of my United Teaching Profession dues from my payroll check as established by local, state, and national education associations and according to policy, rule, regulation or negotiated contract within my school district. I reserve the right to revoke this authorization by written notice to my school district and local association before July 15<sup>th</sup> of any school year." The Association shall provide the School District with an updated listing of memberships on July 15 so that proper deductions might be made.

9-8 The Association agrees to hold the District harmless for any actions taken by the District in reliance upon information furnished by the Association with respect to dues check off authorizations.

## ARTICLE X – TEACHER PROTECTION

- 10-1 The District will defend its teaching personnel in any civil litigation or other damage claim arising from the teacher's conduct within the course and scope of his or her employment with the District. The extent of such legal assistance is that available in connection with liability insurance, which is and shall be maintained by the District for that purpose.
- 10-2 No written criticism concerning a teacher shall become a part of the teacher's personnel file without the teacher first having been presented a signed and dated copy thereof and given the opportunity to discuss the matter with his or her principal or supervisor. The teacher shall acknowledge receipt of the written document without agreeing to the contents thereof. The teacher shall have the right to answer any material file. His or her answer shall be submitted to the District Human Resources Office which shall attach the answer to the related material in the file and send verification to the teacher that the material has been attached and filed. The teacher's answer shall be forwarded along with the related document to inquiring authorities. Nothing in this section prevents a teacher's principal administrator from keeping site notes regarding the teacher. These site files shall be maintained solely for the administrator's own personal use in preparing evaluations, observations, etc. and shall not be part of the teacher's official personnel file. (2010)
- 10-3 Each teacher shall be given a signed and dated copy of each evaluation. The teacher shall have the same right to reply as in Article 10-2 above. Nothing in this article prevents the retention of teacher evaluations in the teacher's official personnel file maintained by District Human Resources. (2010)

The teacher shall provide advance notice to the District of their intent to review and receive copies of their personnel file. Teachers may be required to reimburse the District for all materials furnished pursuant to this paragraph.

- 10-7 No teacher shall be disciplined, suspended, reduced in rank or compensation, adversely evaluated in a manner which could affect the teacher's employment or lead to dismissal or non-renewal, transferred, dismissed, non-renewed, terminated, or otherwise deprived of any professional advantage without just cause.

The Board of Trustees and their designees agree to follow a policy of progressive discipline, which minimally includes a verbal warning, reprimand, suspension, with termination or dismissal only as a final and last resort. The Churchill County School District reserves the right to use any of the above-mentioned disciplinary steps as appropriate. An employee is not entitled to a lesser disciplinary step before a more severe step is utilized if the severity of the infraction warrants a more severe step. (2011)

If a teacher has a reasonable belief that discipline or other adverse consequences may result that teacher shall be entitled to have a representative of the Association present during any appearance before the Board or its designee concerning any matter. The teacher has the obligation to notify the Board or its designee when such representation is needed or desired.

All reports referred to above shall be made to the teacher's principal or immediate supervisor. (2001)

10-8-4 In the interest of teacher safety, the board shall cooperate with law enforcement agencies. Supervisors shall request assistance from law enforcement agencies when warranted. (1994)

10-8-5 In a civil proceeding the superintendent and the school district's legal counsel shall, upon request, give advice and counsel to the employee involved in the assault and battery. However, the school district's legal counsel shall not be obligated to officially represent the teacher in the civil proceedings. (1994)

10-8-6 If the teacher wishes to file a criminal complaint, the superintendent or his/her designee and the administrator in charge of the school or department shall assist and cooperate with an assaulted employee in making his/her criminal complaint against either an adult or juvenile offender. However, this shall not be construed as obligating the superintendent or any other official representative of the school district to participate as a complaining party with the assaulted employee. The school district reaffirms its policy to do everything possible in support of a teacher who is assaulted while acting within the scope of his/her employment in accordance with school district policies and directions especially when attempting to maintain order in a school. (1994)

10-8-8 Teachers involved with students with disabilities that exhibit violent and/or uncontrolled abusive behaviors shall be protected. (1994)

- 11-1 The parties recognize that the availability of functional school facilities for both the student and teacher is desirable to insure the high quality of education and that is the goal of both teachers and the Board of Trustees. The committee will develop two or more tentative calendars that will be available for all district staff to vote on. Credits earned at the District's expense or while on school time, except for in-service credit offered by the District, will not be used for advancement on the salary schedule.

The District shall continue to offer in-service course credits during each school year at no cost to teachers. All in-service credits certified by the Nevada State Department of Education shall be considered as full credit for advancement on the salary schedule. A maximum of thirty-five (35) in-service credits may be used for advancement on the salary schedule. For licensed employees hired for the 2017-2018 school year and beyond, the District shall provide health, dental and vision insurance without premium cost up to \$1,000 per month for full time employees covered by the licensed bargaining unit. - 17-1 When changes are to be made with reference to District Policy, the Association will be notified of such changes and if possible will have prior notification.
- 17-2 The Association shall be notified in writing of new or existing administrative or teaching position vacancies. Notices of vacancies shall first be advertised within the district and remain open for a minimum of five (5) days. *(2017)*
- 17-3 However, if a vacancy occurs between August 1<sup>st</sup> and September 1<sup>st</sup>, the Board of School Trustees and the Administration reserve the right to waive the five-day advertising requirement for each position becoming vacant should the Administration deem it necessary for the continuity of instruction. However, should such advertising period be waived, the administration will notify the President of the Churchill County Education Association by mail of each incident and post such notice for each vacancy in the district office.

## ARTICLE XVIII – REDUCTION IN FORCE

- 18-1 The School District retains the right, without negotiations, to determine when a reduction in force is necessary, the number of individuals whose employment must be terminated, and which areas of instruction and/or school district operations within which such a reduction in the force will occur. The District will make reasonable effort to provide notification in writing to the affected teacher(s) and the Association, by April 15 of any year. Under no circumstances will the decision(s) or notification(s) be communicated later than required by NRS 391. The Association shall be given the opportunity to confer regarding proposed reductions prior to effectuation. (2017)
- 18-2 The Churchill County School District shall determine the proposed order in which the teaching staff shall be reduced, provided, however, that no teacher qualified to teach a particular assignment or grade level as evidenced by a current valid credential issued by the Nevada State Board of Education shall be replaced by another teacher not qualified for such assignment as prescribed above. The District shall not, through this provision, be required to accept teaching staff into the Alternative Route to Endorsement, Alternative Route to Licensure or the Options Program. (2017)

The board of trustees will use the following criteria in this order to make their determination:

- 18-2-1 The board of trustees will use the following criteria to make their determination: The decision to lay off a teacher must be based solely on the overall performance of the teacher under the statewide performance evaluation system adopted by the State Board of Education. When determining the manner in which to reduce the existing workforce, Churchill County School District must lay off a teacher whose overall performance has been determined to be:
- (a) Ineffective, before laying off a teacher whose overall performance has been determined to be developing, effective or highly effective;
  - (b) Developing, before laying off a teacher whose overall performance has been determined to be effective or highly effective;
  - (c) Effective, before laying off a teacher whose overall performance has been determined to be highly effective. (2017)
- 18-2-2 If Churchill County School District determines that a further reduction in force beyond that made pursuant to Article 18-2-1 is necessary, Churchill County School District must lay off a teacher whose employment record includes:
- (a) A criminal record that resulted in the suspension of the teacher; or
  - (b) Disciplinary action that resulted in the suspension of the teacher and that was uncontested or has been finally adjudicated;

before laying off a teacher whose employment record does not include such a record or disciplinary action. (2017)

18-2-3 Churchill County School District shall lay off teachers whose employment records include disciplinary actions that resulted in the suspension of the teacher in the order of severity of the disciplinary action, with those employees whose employment record includes more severe disciplinary action being laid off first. (2017)

18-2-4 If Churchill County School District determines that further reduction in teachers is necessary, the decision to lay off a teacher must be based on the following factors: (2017)

1. The type of degree attained by the teacher and whether the degree is in a subject area that is related to his or her position also if the teacher is highly qualified for the position.

2. Whether the teacher is employed in a position which is hard to fill;

3. Whether the teacher has received a national board certification;

4. The type of licensure held by the teacher. (2011)

18-2-5 If, after consideration of the factors described in Articles 18-2-1 through 18-2-4, two or more teachers are similarly situated, Churchill County School District will give preference to the more senior teacher. (2017)

18-2-5-1 Seniority in the District shall mean the total number of years, or fractions thereof, that the teacher has been employed as a classroom teacher within the Churchill County School District, except that in case of a teacher who has voluntarily terminated and subsequently been rehired, seniority shall commence with the date of rehire. (2017)

18-2-5-2 In the event two or more teachers have the same semester seniority; seniority shall be determined by the actual date a teacher begins work. Drawing lots shall determine seniority between two teachers with the same starting date.

18-2-5-3 Teachers who are re-hired after an initial one-year contract shall be given credit for that first year on the seniority list. (2005)

18-3 District and Association officials will cooperate in updating a seniority list annually.

18-4 Teachers laid off due to reduction in force shall be considered on leave of absence for three (3) years from the date of lay off. A teacher thus laid off for more than three (3) years shall lose all seniority and recall rights. Each teacher on leave of absence due to

reduction in force shall have the right to reinstatement in the reverse order in which they were laid off at such time as there are openings for which the teachers are certified and qualified.

18-5 When vacancies occur during a time when any teacher(s) are on leave of absence due to reduction in force, the District shall notify all teachers who may be certified and qualified of the existence of such vacancies by certified mail, with copies of all such letters simultaneously furnished to the Association.

18-5-1 No new appointments, except on a substitute basis, shall be made for at least thirty days following such mailings, however, in the case of a vacancy occurring after July 15<sup>th</sup>, this time limit shall be reduced to seven (7) days following receipt of notification. Such certified mail shall be sent to the last address furnished by the teacher to the District. If undeliverable, the thirty (30) day waiting period shall not apply.

18-5-2 If a teacher who is notified of recall does not return for employment at the specified time, the District shall have no further obligation to that teacher, except that if the recalled teacher is unable to return due to a bona fide illness or emergency, the leave of absence provision shall be extended for a period not to exceed one (1) year.

After the position has been filled, District employees who interviewed and were unsuccessful will be given a written notice stating that they failed to receive the reassignment or transfer. (1998)

Licensed employees returning from leave shall be accorded all rights provided under this section.

Involuntary transfers/reassignments, if made, will be announced but not occur until the last day of school in an effort to allow the affected teacher the opportunity to apply for any and all transfer/ reassignments. In the event that the affected teacher accepts the transfer/reassignment, the action can occur at that time. (1998)

Personnel affected by an involuntary transfer will be considered part of their current staff until the start of the next school year. (1998)

No teacher so transferred or reassigned shall suffer loss of salary or fringe benefits.(1998)

Teachers who are reassigned through an involuntary transfer in the spring of each contract year shall have the following right:
